

Environmental Policy

Entegraty believe that we have a responsibility to care for and improve the environment in which we operate. We are fully committed to improving environmental performance across all of our business activities and will encourage our business partners and members of the wider community to join us in this effort.

We recognise our key impacts to be in the areas of:

- energy use
- waste generation
- water use
- transport
- procurement

We will strive to:

- Adopt the highest environmental standards in all areas of operation, meeting and exceeding all relevant legislative requirements.
- Access our organisational activities and identify areas where we can minimise impacts.
- Minimise waste through careful and efficient use of all materials and energy.
- Purchase sustainable products wherever feasible [e.g. recycled, FSC or low environmental impact products and energy from renewable sources.
- Publicise, our environmental position.
- Train employees in good environmental practice and encourage employee involvement in environmental action.
- Reduce risks from environmental health or safety hazards for employees and others in the vicinity of our operations.
- Adopt an environmentally sound transport strategy.
- Continually assess the environmental impact of all our operations.

Entegraty are continually developing and reviewing action plans to supplement each of our environmental policy objectives.
